

## HAMPTON, PHOEBUS AND OLD POINT—Continued.

## Acme Mosquito Canopy

Is the latest improvement in a mosquito bar. The frame is made of the best Bessemer Spring Steel, nicely nickel plated, with a natural spring that will not weaken or get out of order. Absolutely non-breakable.

Can be attached to any bed. When in position it forms a perfect canopy. Press the button and it is instantly and altogether out of the way.

While it has many points of superiority over other spring-back canopies it costs you no more. Price complete with net, set up on your bed, \$3.50. Easy payments if you like.

## Climax Ceiling Canopy \$1.25

For those wishing something a little cheaper than our "Acme" Canopy, at the same time a good serviceable net, we recommend the Climax Ceiling Canopy. This canopy is suspended from the ceiling and is one of the best swinging canopies made. Price, \$1.25, \$2.00, \$2.50 to \$3.00.

## TENNIS CONSTRUCTION CO., SECURES A LARGE CONTRACT

Hampton Firm Will Repair the Wharf at Old Point at a Cost of About \$27,000.

The Tennis construction Company, of Hampton, has been awarded the contract for making extensive repairs to the dock at Old Point by the United States government. According to the plans the dock will almost be rebuilt and the local firm's bid was in the neighborhood of \$27,000.

Iron girders will be put up and new eye beams will be put in, as well as new braces. The work on repairing the wharf will begin within the next twenty days.

When repaired the wharf at Old Point will be one of the strongest and best wharves in Tidewater Virginia.

The company has also been awarded the contract for building a pier and wharf in Maple avenue leading out into Hampton Roads for a distance of 1,050 feet, and which is to be used as a landing during the Jamestown exposition. This pier will be eight feet wide, while the wharf will be about fifty feet in width at the end.

The trestle across Hampton creek for the Peninsula Pure Water Company will also be erected by this company.

Little Girl Breaks Her Arm.
